Interest is calculated on a daily basis on the current outstanding balance of the Cardholder. Interest is levied if Total Amount Due is not paid off by due date. Also, interest will be levied on all cash advances from the date of the transaction until the date of payment. Interest rate of 3.83% per month (46% per annum) will be applicable initially. The bank can at its sole discretion change the interest rate depending on factors such as, but not limited to, credit history, purchase patterns, payment behavior, loyalty and vintage of the customer. Interest charges are dynamic and are subject to change based on periodic review by IndusInd Bank.

CREDIT AND CASH WITHDRAWAL LIMITS

- **Credit Limit:** This is the maximum limit assigned to the Cardholder. Your total outstanding including all transactions, fee, and charges should not exceed this limit.
- **Cash Limit:** This is the maximum Cash Advance Limit assigned to the Cardholder. This limit is lower than the Credit Limit and is a subset of the overall Credit Limit.
- **Available Credit Limit:** The available Credit Limit at any time is the difference between assigned Credit Limit & Outstanding balance on the Card at that point of time.
- **Available Cash Limit:** The available Cash Limit at any time is the difference between assigned Cash Limit & Outstanding Cash Balance on the Card at that point of time.
- The Credit and Cash Limits will vary for each Cardholder and will be disclosed in the monthly statement sent to the Cardholder.

BILLING & STATEMENT

- The Bank will send a monthly statement to the Cardholder, e-mail and/or physical, through the delivery mode as specified by the Bank for each billing period during which there is any transaction/payment or any amount outstanding on the Card account.
- Non-receipt of Statement would not affect the Cardholder's obligations and liabilities under this agreement and he/she shall be liable to settle atleast the MINIMUM AMOUNT DUE before the Payment Due Date.
- Minimum Amount Due is calculated as 5% of Total Amount Due or such other amount as may be determined by IndusInd Bank at its sole discretion. Please note that making only the minimum payment every month would result in interest being levied on all subsequent transactions from the transaction date itself & also in the repayment stretching over a period of time with consequent interest payment on your outstanding balance. For eg. at 3.83% p.m. it would take you 38 months to pay off an initial purchase of ₹10,000 if you make a payment of only the Minimum Amount Due (with Minimum Amount Due at least ₹500) each month.

- The Cardholder agrees that it is his responsibility to notify the bank in case of non-receipt or discrepancy in his monthly statement within 15 days of his statement billing date. In case the Cardholder does not notify the bank of any such event, the statement will be deemed to have been delivered and conclusive.
- Late Payment Charges will be levied if Minimum Amount Due (exact amount including decimals if any) is not paid on or before the Payment Due Date. Late Payment Charges will also be levied in case of no payment or payment less than the Minimum Amount Due.
